Brigholme Interiors Group and Haworth Win Ontario Power Generation Inc. Account

MARKHAM, Ontario – Brigholme Interiors Group and Haworth are the successful bidders for the new Ontario Power Generation Inc. (OPG) facility. OPG's principal business is the generation and sale of electricity to the Ontario wholesale market and to the interconnected markets of Quebec, Manitoba and the Northeast and Midwest regions of the United States. Their new facility will be furnished with 1000 new workstations and 1000 filing cabinets.

The account was won with a concerted, strategic approach involving many individuals from both Brigholme and Haworth. "This account win really ends 2004 with a bang. We look forward to welcoming OPG to the Brigholme family. A great team effort," said Brigholme's Director of Sales and Marketing Joe Williams.
